Webinar

As well as a brief overview of the PT Series assessments, we explore how the different types of data and reporting available can help you to:

- Identify gaps in your students' learning.
- Understand strengths and weaknesses.
- Prioritise those most in need of extra support and target your support efficiently.

Case studies and Blogs

Primary

“ Our teachers think the Progress Test Series is fantastic. It validates their thoughts and gives them confidence that their judgment is right from an objective point of view. ”

Mark Dakin, Headteacher,
St Giles Primary CE School.

Secondary

“ Using the Progress Test Series to aid transition within a three-tier system. ”

Tom Hutchinson, Principal, St Edward's
Church of England Academy, Leek.

Independent

“ We are able to deliver a personalised programme of learning for each child based on the information derived from GL Assessment's tests to ensure that every child is a learner every lesson. ”

Jill Wilson CBE, Headmistress,
The Gladdings Preparatory School.
